

## PRE-CONFERENCE PROGRAM

THURSDAY 22 NOVEMBER 2018

0800-1700	CONFERENCE REGISTRATION OPEN	MEZZANINE M1&2 FOYER
<b>0800-1630</b>	<b>Leaders Evolving and Developing (L.E.A.D.) Program – Boot Camp 2.0</b>	
ROOM	MEZZANINE M1&2	
PROUDLY SUPPORTED BY 		
0800-0830	Registration	
0830-0845	Greeting and Boot Camp overview	
0845-0915	<b>Introduction: Market Assessment and Healthcare Trends</b> Facilitator: <b>Bhavini Patel</b> , Executive Directive of Medicines Management and Transformation and Change for NT Department of Health and Top End Health Services, NT	
0915-1015	<b>Module 1: Declaration of Who I am and Defining Success</b> Facilitator: <b>Jennifer Tryon</b> , Associate Vice President and Chief Pharmacy Officer at Wake Forest Baptist Health, North Carolina, USA	
1015-1030	MORNING TEA	
1030-1130	<b>Module 2: Leadership Value Equation</b> Facilitator: <b>Jennifer Tryon</b> , Associate Vice President and Chief Pharmacy Officer at Wake Forest Baptist Health, North Carolina, USA	
1130-1200	<b>Module 3: Data – Ensuring the Health of Your Business Unit Through Metrics</b> Facilitator: <b>Bhavini Patel</b> , Executive Directive of Medicines Management and Transformation and Change for NT Department of Health and Top End Health Services, NT	
1200-1300	LUNCH	
1300-1330	<b>Module 4: Resilience – Master Work Life Balance &amp; Integration</b> Facilitator: <b>David Chen</b> , Senior Director, Section of Pharmacy Practice Managers Pharmacy Practice Sections, American Society of Health-system Pharmacists, Maryland, USA.	
1330-1400	Module 3 and Module 4 – exercises	
1400-1415	AFTERNOON TEA	
1415-1505	<b>Module 5: Succession Planning</b> Facilitator: <b>David Chen</b> , Senior Director, Section of Pharmacy Practice Managers Pharmacy Practice Sections, American Society of Health-system Pharmacists, Maryland, USA	
1505-1605	<b>Module 6: Human Resources – Effective Performance Management</b> Facilitator: <b>Jennifer Tryon</b> , Associate Vice President and Chief Pharmacy Officer at Wake Forest Baptist Health, North Carolina, USA	
1605-1630	WRAP UP AND CLOSE	
<b>0800-1700</b>	<b>SHPA RESEARCH BOOTCAMP</b>	
ROOM	PLAZA P5	
0800-0845	Registration	
0845-0900	<b>Welcome</b> <b>Associate Professor Lisa Pont</b> , NTRC Chair; Associate Professor Discipline of Pharmacy, Graduate School of Health, University of Technology, NSW	
0900-0930	<b>The importance of practice-based research and development of good research questions</b> <b>Professor Jeff Hughes</b> , Professor, School of Pharmacy and Biomedical Science, Faculty of Health Sciences, Curtin University, WA	
0930-1015	<b>Research Ethics: do's and don'ts</b> <b>Michelle Rothwell</b> , Allied Health Team Leader, Allied Health Education and Training, Cunningham Centre, Qld	
1015-1045	MORNING TEA	
1045-1230	<b>Workshop: Developing a research protocol</b> Facilitator: <b>Professor Jeff Hughes</b> , Professor, School of Pharmacy and Biomedical Science, Faculty of Health Sciences, Curtin University, WA	
1230-1330	LUNCH	
1330-1500	<b>Workshop: Articulating your research protocol</b> Facilitator: <b>Professor Jeff Hughes</b> , Professor, School of Pharmacy and Biomedical Science, Faculty of Health Sciences, Curtin University, WA	
1500-1530	AFTERNOON TEA	
1530-1545	<b>Starting out in research</b> <b>Chin-Yen Yeo</b> , Resident Pharmacist, St Vincent's Hospital Sydney and Blacktown Mt Druitt Hospitals, NSW	

### PRE-CONFERENCE PROGRAM | THURSDAY 22 NOVEMBER

1545-1630	<b>The role of collaboration in research</b> <b>Dr Andrew Hale</b> , Assistant Director, Clinical Pharmacy, Royal Brisbane and Women's Hospital, Qld
1630-1700	<b>Disseminating research findings</b> <b>Dr Susan Poole</b> , Pharmacy Research Coordinator, Alfred Health, Vic
1700	CLOSE

<b>0900-1700</b>	<b>EMM Pre-Conference Workshop, facilitated by the SHPA EMM Leadership Committee</b>
LOCATION	PRINCESS ALEXANDRA HOSPITAL. LUNCH WILL BE HELD A SHORT WALK AWAY AT THE PACEMAKER CAFÉ.
0900-0930	Registration Princess Alexandra Hospital main entrance and atrium. From here, participants will be guided to the training/computer lab
	<b>Basics of EMM (PAH main building – Ground Level, Training/Computer lab 4)</b>
0930-0950	<b>Session Overview, Maryanne Molenaar</b> , Systems Pharmacist, Pharmacy Department, Eastern Health, Qld
0950-1020	<b>Cerner Millennium® vs DXC MedChart® – Contrast and Comparison of Two Major Australian EMM solutions. Documenting and Ordering Medications and Allergies</b> <b>Joanne Wilson</b> , Clinical Information Systems Pharmacist, Canberra Hospital and Health Services, ACT and <b>James Grant</b> , Clinical Pharmacist Lead – Medications Initiative, ieMR Centre of Excellence, eHealth Queensland, Department of Health, Qld
1020-1050	<b>Cerner Millennium® vs DXC MedChart® – Contrast and Comparison of two major Australian EMM solutions. Administering a medication, Verifying a medication and Clinical Decision Support</b> <b>Joanne Wilson</b> , Clinical Information Systems Pharmacist, Canberra Hospital and Health Services, ACT, and <b>James Grant</b> , Clinical Pharmacist Lead – Medications Initiative, ieMR Centre of Excellence, eHealth Queensland, Department of Health, Qld
1050-1110	MORNING TEA
1110-1140	<b>Hands on training and scenarios in the QH domain</b>
1140-1230	<b>Participant questions to the Panel.</b> Q+A and some open discussion <b>Rosemary Burke</b> , A/District Director of Pharmacy & Chief Pharmacy Information Officer, Sydney Local Health District, NSW <b>Joanne Wilson</b> , Clinical Information Systems Pharmacist, Canberra Hospital and Health Services, ACT
1230-1400	LUNCH (PACEMAKER CAFÉ)
	<b>Advanced EMM (PAH main building – Ground Level, Training/Computer lab 4)</b>
1400-1430	<b>Session Overview, Erica Tong</b> , Chief Pharmacy Information Officer, Deputy Director of Pharmacy, Lead Clinical Pharmacist, Emergency and Acute Medicine, Alfred Health, Vic
1430-1500	<b>Complex Meds – IV Heparin, Daniel O'Brien</b> , Clinical Business Analyst, Alfred Health, Vic
1500-1530	<b>Complex Situation – Hydromorphone and discharge reconciliation, Rosemary Burke</b> , A/District Director of Pharmacy & Chief Pharmacy Information Officer, Sydney Local Health District, NSW
1530-1550	AFTERNOON TEA
1550-1620	<b>Safety Risks – SAC1 events in EMM systems, James Grant</b> , Clinical Pharmacist Lead – Medications Initiative, ieMR Centre of Excellence, eHealth Queensland, Department of Health, Qld
1620-1650	<b>Pharmacy Practice in EMM – Inherent and new opportunities, Daniel O'Brien</b> , Clinical Business Analyst, Alfred Health, Vic
1650-1700	<b>Wrap up and close, Maryanne Molenaar</b> , Systems Pharmacist, Pharmacy Department, Eastern Health, Vic
1700	CLOSE

<b>0900-1700</b>	<b>Paediatrics and Neonatology, facilitated by the SHPA Paediatrics and Neonatology Leadership Committee</b>
ROOM	PLAZA P3
1000-1015	Registration
1015-1030	<b>Welcome and introductions, Sonya Stacey</b> , Director of Pharmacy, Pharmacy Department, Children's Health Queensland; A/Associate Professor, School of Pharmacy, University of Queensland, Qld
1030-1100	<b>The good, the bad and the ugly of eMM in paediatrics and neonates</b> <ul style="list-style-type: none"> <li>Recent evidence (5 min)</li> <li>"Are you ready for this?" (5 min)</li> <li>Using eMM for quality improvement and research (15 min)</li> </ul> <b>Sonya Stacey</b> , Chair; Director of Pharmacy, Pharmacy Department, Children's Health Queensland; A/Associate Professor, School of Pharmacy, University of Queensland, Qld, <b>Bryanna Lawrie</b> , Clinical Pharmacist, Lady Cilento Children's Hospital, Qld, and <b>Sarah Fuller</b> ieMR Education, Children's Health Queensland, Qld, <b>Bruce Chio</b> , Pharmacist Clinical Lead – Informatics, Lady Cilento Children's Hospital, Qld
1100-1200	<b>Clinical Ethics in Paediatric Healthcare – Managing Innovative Therapies and the Rise of Social Media, Dr Helen Irving</b> , Pre-Eminent Specialist and Clinical Lead, Children's Health Queensland, Qld
1200-1230	<b>Nursinersen Therapy – Evidence and Practicalities, Dr Anita Cairns</b> , Consultant Paediatric Neurologist, Lady Cilento Children's Hospital, Qld
1230-1315	LUNCH

### PRE-CONFERENCE PROGRAM | THURSDAY 22 NOVEMBER

1315–1345	<b>Gender Clinics – what is the role of medication and how can pharmacists make the process easier?</b> <b>Dr Stephanie Johnson</b> , Senior Medical Officer – Endocrinology, Lady Cilento Children's Hospital, Qld
1345–1415	<b>Opioid use in Paediatrics</b> <ul style="list-style-type: none"> <li>• Sustained Release Opioids in Paediatrics (10 mins)</li> <li>• Prescribing Trends of opioids in Children Post Tonsillectomy (5 mins)</li> <li>• Group Discussion – what strategies are hospitals putting in place to respond to the Global Patient Safety Challenge (15 mins)</li> </ul> <b>Sonya Stacey</b> , Chair; Director of Pharmacy, Pharmacy Department, Children's Health Queensland; A/Associate Professor, School of Pharmacy, University of Queensland, <b>Catherine Kotzur</b> , Children's Health Queensland, Qld, <b>Simon Hynh</b> , Sydney Children's Hospital at Westmead, NSW
1415–1445	<b>Parenteral Nutrition in Paediatrics and Neonates – an update</b> <ul style="list-style-type: none"> <li>• Lines, ordering and standardised formulas (10 mins)</li> <li>• Cost-benefit Analysis of standardising PN in neonates (5 mins)</li> <li>• Group Discussion – is standardising formulations a good thing? (15 mins)</li> </ul> <b>Lana Steward-Harrison</b> , Chair; Assistant Clinical Lead Pharmacist – Surgical, Lady Cilento Children's Hospital, Qld, <b>Vineeth Rajan</b> , Clinical Pharmacist, Monash Children's Hospital, Vic
1445–1515	<b>Lightning Research Presentations</b> <ul style="list-style-type: none"> <li>• 3 x 5 min presentation + 5 min questions</li> </ul> <b>Sonya Stacey</b> , Chair; Director of Pharmacy, Pharmacy Department, Children's Health Queensland; A/Associate Professor, School of Pharmacy, University of Queensland, Qld
1515–1545	AFTERNOON TEA
1545–1630	<b>Patient prioritisation and workflow in the paediatric setting</b> <ul style="list-style-type: none"> <li>• Patient prioritisation (the Adelaide experience) (15 min)</li> <li>• Patient Flow and the Pharmacist (the Brisbane experience) (15 min)</li> <li>• Group discussion – what techniques have centres used to prioritise patient care and workflow in the paediatric setting?</li> </ul> <b>Alka Garg</b> , Chair; Deputy Director of Pharmacy (Clinical), Women's and Children's Hospital, Adelaide, SA, <b>James White</b> , Senior Pharmacist – Patient Flow, Lady Cilento Children's Hospital, Qld
1630–1700	<b>Roundtable discussion</b> <ul style="list-style-type: none"> <li>• How are kids coping with medicinal cannabis? (10 min)</li> <li>• Building advanced residency in paediatrics and neonatology (10 min)</li> <li>• Feedback on Standards of Practice – paediatrics and neonatology (10min)</li> </ul> <b>Sonya Stacey</b> , Chair; Director of Pharmacy, Pharmacy Department, Children's Health Queensland; A/Associate Professor, School of Pharmacy, University of Queensland, Qld
1700	CLOSE

<b>1030–1700</b>	<b>Antimicrobial Stewardship: getting it right the first time, facilitated by the SHPA Infectious Diseases Leadership Committee</b>
ROOM	PLAZA P2
1030–1100	Registration
1100–1110	Welcome
1110–1130	<b>Overview</b> , <b>Dr Minyon Avent</b> , Queensland Statewide Antimicrobial Stewardship Program, Qld
1130–1215	<b>How to implement AMS strategies through behaviour change</b> , <b>Associate Professor Jennifer Broom</b> , PhD, Staff Specialist Infectious Diseases, Sunshine Coast Hospital and Health Service and the University of Queensland, Qld
1215–1300	LUNCH
1300–1330	<b>AMS: widening the collaborative approach</b> , <b>Stacey McNamara</b> , Clinical Nurse Consultant, Queensland Statewide Antimicrobial Stewardship Program, Qld
1330–1430	Case Scenarios, all tutors
1430–1450	AFTERNOON TEA
1450–1520	<b>AMS monitoring at the bedside and providing feedback to prescribers</b> <b>AMS interventions</b> <b>Dr Minyon Avent</b> , Queensland Statewide Antimicrobial Stewardship Program, Qld, <b>Kelly Cairns</b> , Lead Stewardship Pharmacist, Antimicrobial Pharmacy, The Alfred, Vic, <b>Sharmila Khumra</b> , Infectious Diseases/Antimicrobial Stewardship Pharmacist, The Alfred, Vic
1520–1550	<b>From bench to bedside: how to implement AMS strategies at the ward level</b> , <b>Paul Firman</b> , Pharmacist, and <b>Jason Waddell</b> , Senior Paediatric Pharmacist, Logan & Beaudesert Hospitals, Metro South Health, Logan Hospital, Qld
1550–1650	Case scenarios, all tutors
1650–1700	WRAP UP AND CLOSE

## PRE-CONFERENCE PROGRAM | THURSDAY 22 NOVEMBER

1300–1730	Mental Health Workshop, facilitated by the SHPA Mental Health Leadership Committee
ROOM	PLAZA P4
1300–1330	Registration
1330–1340	<b>Welcome and introductions, Alice Gilbert, Chair, SHPA Mental Health Leadership Committee; Policy Maker and Strategist, Medicines Management Unit, Department of Health, Darwin, NT</b>
	<b>Leadership – What is happening at the national level (with MH priorities) and where do pharmacists fit in?</b>
1340–1410	<b>Medication safety in mental health: findings from a national scoping study, Janet Sluggett, Research Fellow, Monash University, Parkville, Vic</b> A national scoping study focusing on medication safety issues in mental health in Australian hospital and community settings was recently released by the Australian Commission on Safety and Quality in Health Care. Janet will discuss findings from the scoping study and potential strategies to support improvements in medication safety in mental health
1410–1440	<b>Quality Use of Medicines in Mental Health: Time for change, Helen Lowy, Program Manager, Medicines, Mental Health and Wellbeing, Department of Health and Human Services, Melbourne, Vic</b> The “reducing adverse medication events in mental health” survey highlighted opportunities for the implementation of best evidence based practice in medication safety. Helen will outline activity and aspirations to address these and other opportunities to improve the quality use of medicines in mental health
1440–1510	<b>Culture, comprehension and compliance – medication understanding and adherence in Aboriginal and Torres Strait Islander patients, Amelia Arandiga, Senior Clinical Pharmacist, Top End Mental Health Service, Darwin, NT</b> Health statistics repeatedly highlight the health care discrepancy faced by Aboriginal and Torres Strait Islanders. Medication adherence plays a major contributing role to these statistics. Amelia will discuss current ways the Northern Territory Mental Health Service is improving medication adherence
1510–1530	AFTERNOON TEA
	<b>Digital Health – What is the impact and influence of technology within Mental Health</b>
1530–1600	<b>Technology; the negatives, Alice Gilbert, Chair, SHPA Mental Health Leadership Committee; Policy Maker and Strategist, Medicines Management Unit, Department of Health, Darwin, NT</b> How has technology negatively influenced mental health and mental health treatment? This presentation will offer the alternative side to technology and the impact on mental health
1600–1630	<b>Technology; the positives, Yvette Haselden, Pharmacist Team Leader (families), Specialising in Mental Health, Cairns Hospital, Qld</b> How has technology positively influenced mental health and mental health treatment? This presentation will unpack how technology has changed the accessibility to mental health professionals, medicines information, and connectivity
1630–1715	<b>Q&amp;A:</b> This is the chance for participants to ask their burning questions about matters and concerns not necessarily covered in today's session. Together we might be able to come up with some answers!
1715–1730	<b>Thank you and close, Alice Gilbert, Chair, SHPA Mental Health Leadership Committee; Policy Maker and Strategist, Medicines Management Unit, Department of Health, Darwin, NT</b>
1730	CLOSE

1300–1730	Medication Safety Workshop, facilitated by the SHPA Medication Safety Leadership Committee
ROOM	PLAZA P1
1300–1330	Registration
1330–1340	<b>Welcome and introductions, Toni Howell, Chair, SHPA Medication Safety Leadership Committee, Medication Safety and Strategy Pharmacist, St Vincent's Hospital Melbourne, Vic</b>
1340–1415	<b>Investigate Hospital Acquired Complications (HACs) and what they mean for patient safety, Samuel Webster, PhD, Director – Pricing, Independent Hospital Pricing Authority, Sydney, NSW</b> The new hospital acquired complications (HAC) funding approach and risk adjustment methodology
1415–1445	<b>Consider trigger tools suggestive of system failure and opportunities to act early to prevent harm, Melinda Scott, Director, Clinical Health Information Services, The Prince Charles Hospital, Qld, Kym Kuenstner, Senior Health Information Manager, The Prince Charles Hospital, Qld</b> Clinical coding, using the complete clinical record to get the big picture on patient safety
1445–1510	<b>Explore opportunities to apply health service indicators from patient coding to improve medication safety in your organisation.</b> Facilitated discussion with the Medication Safety Leadership Committee
1510–1530	AFTERNOON TEA
1530–1550	<b>Tools and strategies to improve medication safety, Helen Dowling, eHealth and Medication Safety lead, Australian Commission on Safety and Quality in Health Care, NSW</b> How do the ACSQHC Clinical Care Standards and HACs link to the Medication Safety Standard?
1550–17	<b>Hot topic discussion and workshop:</b> In this interactive session, discuss the challenges in your own health services and workshop methods to apply solutions. Learn tips and strategies to meet the actions of the new Standards which will be active in 2019
1725–1730	<b>Thank you and wrap up, Toni Howell, Chair, SHPA Medication Safety Leadership Committee, Medication Safety and Strategy Pharmacist, St Vincent's Hospital Melbourne, Vic</b>
1730	CLOSE

# MAIN CONFERENCE PROGRAM DAY 1

FRIDAY 23 NOVEMBER 2018

0700–1900	CONFERENCE REGISTRATION, BCEC FOYER
<b>0830–1010</b>	<b>PLENARY SESSION ONE</b>
ROOM	GREAT HALL 1&2
CHAIR	PROFESSOR MICHAEL DOOLEY
